

Volunteer Opportunities

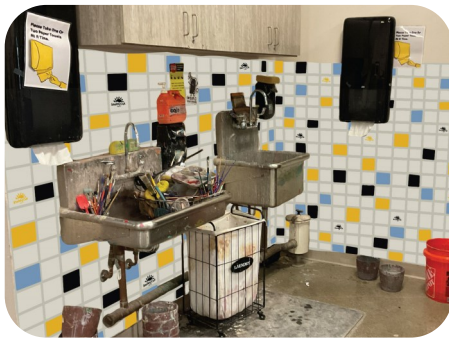

Fire Hydrant Prep

Get hands-on with a fun community project! Volunteers will help prep fire hydrants by scraping away old paint and grime with a wire brush, followed by a thorough wash using Dawn soap. This work ensures hydrants are ready for the artists from InsideOut to bring a new design to life!

Ripping and Stretching Canvases

Help us to prepare canvases for painting! Volunteers will rip and stretch canvas material over frames, ensuring a smooth and taut surface for artists. This is a fantastic opportunity to learn the foundational steps of art creation while contributing to the artistic community.

Tile Project - Backsplash

Unleash your creativity in this hands-on tile project! Volunteers will stamp designs onto tiles, glaze them for a beautiful finish, and assist in installing the tiles as a backsplash. This project is perfect for those who enjoy artistic endeavors and want to see their efforts become a permanent part of a space.

Working with Fused Glass

Join our team in preparing stunning fused glass items for sale! Volunteers will add lights to nightlights, assemble photo frames, add hardware to earrings and magnets, and prep other artwork for sale in the storefront.

Inventory of Art Materials/Organizing

Help keep our art studio in top shape! Volunteers will inventory and organize art materials, including paint colors, glaze colors, and mosaic tiles. This role is perfect for those who enjoy organizing and ensuring that artists have easy access to the supplies they need.

Cleaning

Assist in maintaining a clean and inviting environment for our artists and visitors. Volunteers will help with general cleaning tasks, ensuring that our studio and gallery spaces are spotless and welcoming. This essential work supports a positive and productive atmosphere.

Ceramics Re-Claim

Help us repurpose old clay into usable products! Volunteers will work with reclaimed clay, shaping it into new pieces that can be used in future projects. This eco-friendly task is ideal for those interested in sustainability and the art of ceramics.

Loading and Unloading the Kilns

Get a behind-the-scenes look at the ceramics and fused glass process by assisting with the loading and unloading of kilns. Volunteers will help handle delicate ceramic and glass pieces, ensuring they are carefully placed and removed from the kiln.

Materials Prep for Commissions or Classes

Support our artists and educators by preparing materials for commissions and classes. Volunteers will gather and organize supplies, ensuring everything is ready for seamless creation and learning experiences. This role is perfect for those who enjoy supporting creative endeavors behind the scenes.

Art Project Themed Prep

Dive into research and preparation for upcoming gallery themes. Volunteers will assist by researching relevant imagery and gathering materials that align with the chosen themes. This intellectually stimulating task is ideal for those who love exploring art concepts and contributing to themed exhibitions.

Project-Specific Opportunities

Help with Installations

Be part of the excitement as we set up new art installations. Volunteers will assist with the creation of and physical setup of the installation, working alongside artists to bring their vision to fruition.

Help with Christmas Ornaments

Join us in spreading holiday cheer by working alongside artists as they create and prepare Christmas ornaments. This festive task is perfect for those who love the holiday season and enjoy being creative.

Event Opportunities

Prep

Assist in the preparation for our special events, SHIFT and the Inspo Studios Golf Classic. Volunteers will help with setup, organizing materials, and ensuring everything is ready for the big day.

Day-of Activities

Be at the heart of the action on event day! Volunteers will help with various tasks, from greeting guests to assisting with activities and ensuring the event runs smoothly. This is a fantastic opportunity to be involved in exciting community events.
